Series Of Auto Accidents Here Injure Motorists

Soldiers' Cars Collide Near Hirschadle, One Jailed Yesterday

A series of motor vehicle accidents, none of them believed to be of serious nature, kept officers of the highway patrol on the jump during the past week.

Mrs. Evelyn Frost, 26, was injured when she was thrown through the windshield of a car driven by her husband, Jack Alvin Frost, 35, Oklahoma City, in a three vehicle collision at Floriston Monday morning. Frost was pulled up behind a car driven by Adela Mae Gray, Englewood, in response to a flagman's warning. The rear end of his car was struck by a logging truck operated by Aubrey Bennett, Black Springs, Nevada, causing the lighter machine to jam into the rear of the Gray car.

Patrolman William Gautsche cited Bennett for speeding and having faulty brakes. Mrs. Frost was treated by Dr. L. D. Nelson.

Driver in Jail

Staff Sergeant Mack Wilder, 30, Fairfield, was jailed at 2 o'clock yesterday morning on a drunk driving charge after his car and one driven by Sergeant Gerald Hobbs, 21, Wheatland, Wyoming, collided near Hirschdale injuring Mrs. Roy Hitt, a passenger in the Hobbs car. Patrolman Gautsche said Wilder drove on the wrong side of the highway.

Goes to Hospital

James B. Wilkie, 58, Chico, was taken to the Washoe Medical Center at Reno by a passing motorist yesterday morning at 1 o'clock when a car driven by Ernest Heinze Jr., 22, Chico, ran off Donner Grade when the lights suddenly went out. Gautsche investigated.

Headon Crash

Elizabeth Nucera, 30, was taken to a Reno hospital Friday by Truckee Ambulance after cars driven by Francis Nucera, San Leandro, and William Wion, Sacramento, collided headon near the Truckee-Tahoe wye. Wion, attempting to pass a truck, was cited for making a bad pass.

Asleep at Wheel

George E. Waters of Truckee Resort fell asleep at the wheel of his car six miles east of Truckee Sunday and the vehicle ran off the highway. The driver was not seriously injured.

Rolling Mystery Penny Headed for Destination

The Thimble Club will meet at the home of Mrs. Alice Mayer on Tuesday evening, July 10. Hostesses for the evening will be Mrs. Amelia Schumacher and Mrs. Mary Fischer and a general good time is anticipated. A mysterious rolling penny was started on its journey last meeting and is still rolling, with its destination still a mystery.

Former Sportsmen Head Visitor from Oakland

Mr. and Mrs. Albert G. Bradshaw, former local residents now living in Oakland where the former is an engineer for the S.P., are spending a few days here enjoying the fishing and getting out of the fog. Bradshaw, former president of the Truckee Outdoor Sportsmen, reports fishing better than average.

Peterkin Pledges Aid In Local Span Problem

Captain George Peterkin of the California Highway Patrol at Roseville was an official visitor here this week in response to a letter written by the chamber of commerce relative to law enforcement on the bridge over the Truckee River on the Brockway cutoff. Captain Peterkin promised full cooperation in eliminating overloads on the span.

Bottell Wins Advance, Family Leaving Truckee

Mr. and Mrs. William Bottell and family are preparing to leave soon for Fresno where Bottell will be one of the state's district nursery inspectors, having all the area between Bakersfield and Stockton. They are leaving as soon as his replacement arrives at the quarantine station, where he has been employed.

Bottell has been active in the Boy Scout program here and his departure will leave an important vacancy to be filled in that work and their many friends will sincerely regret their leaving but will be glad to know of the advancement in his chosen work.

FATHER PASSES

James Henry Brown, father of Sheriff Wayne Brown and former Nevada County rancher, died suddenly last week at his home in Felton, near Santa Cruz.

Two Local Golfers Hit Hole-in-One Within Week In Tahoe Play

Two Truckee golfers have attained the goal sought by all divot diggers — they each made a hole-in-one.

Two weeks ago Rufe Gregory smacked the pellet into the second hole with one stroke and the following Saturday Frank Galennie matched this mark with a hole-in-one on the ninth.

Both feats were witnessed at the Tahoe City golf course, where Mrs. Justice Cushing has also realized a golfer's dream with a hole-in-one.

SUMMIT P. U. D. ANNEX PROTESTS HEARING ON 24TH

A protest hearing on the proposed annexations to the Donner Summit Public Utility District in the Soda Springs area will be held before the Nevada County board of supervisors July 24 at 10 a.m.

The hearing date was set by the supervisors Friday after a brief study of the annexation ordinance and written protests against the annexation.

The district near Donner Summit includes 12 or more resorts and taverns and scores of homes and summer cottages.

The official notice of the hearing appears elsewhere in today's Sierra Sun.

TUESDAY BAD DAY FOR LOG TRUCKERS AS FOUR ARE CITED

It was bad day for logging trucks Tuesday and four drivers were cited for violations, two for overloads, one for fast driving and unsafe brakes and the fourth for having no binder over his top log.

State Patrolman William Gautsche cited Sam F. Bryan of Truckee, operating for Robert Youman of Lawton Hot Springs, for having 14,000 pounds over the legal load. Albert Hoskins of Reno, driving for the same concern, was cited for a 3,000 pounds excess load and Dominick Mancuso, Susanville, was given a ticket for not having a binder over the top of his load of logs. Aubrey Bennett of Black Springs, Nevada, was cited for speeding and faulty brakes following an accident at Floriston.

Utah Pharmacy Grad Joins Loynd's Staff

Robert Cain, a graduate of the University of Utah College of Pharmacy and a resident of Auburn, has been added to the staff of Loynd's Truckee Drug and will replace Eugene Ilardi who with his family plans to leave in the near future to make their home in a lower altitude because of Mrs. Ilardi's health.

Charles Fink, also of Auburn and a student at the Utah university, is working at Loynd's Kings Beach store this summer. The two young men were room mates at the school.

Eagles Auxiliary Hears Report on State Meet

Mrs. Bessie Weinand represented the Truckee Eagles Auxiliary at the California State Auxiliary, Fraternal Order of Eagles, convention at Santa Barbara June 22 and 23.

At the regular meeting of the local lodge Monday night, Mrs. Weinand gave a brief report of the activities of the convention and many new ideas were offered to build up the Truckee group.

Daughter Born June 30 To L. W. Ferdinands

Mr. and Mrs. L. W. Ferdinand Jr. are the proud parents of their first child, a daughter, Sandra Jean, born at St. Mary's Hospital in Reno Saturday, June 30. The little girl weighed seven pounds and 11 ounces and she and her mother are reported doing well. Ferdinand is employed by the Mattos Beverage and Ice Company.

NEW BUICK

Royal Elf of the Bank of America staff is driving a new Riviera Special Buick purchased from Osburn's Buick Garage.

Truckee Loses To Colfax, Wins Game From Verdi

Sailor, Home from Seas, Hurls Mountaineers To Victory

After dropping a lopsided game 17 to 4 to the Colfax Fireballs here Sunday, the Mountaineers came back strong yesterday to win a game from Verdi 18 to 9. There will be no game here next Sunday but on July 15, the local club will meet Chester in what promises to be one of the hottest contests scheduled on the local diamond.

Louis Goicoa, at home on leave from the Navy, pitched for Truckee yesterday and allowed only one hit up to the sixth inning when the visitors walloped him for six hits and four runs in a rally trying to overcome a 14 run lead held at that time by Truckee. In the game Verdi got 12 hits while the local batters pounded out 20 hits off Mortensen, Oxedine and Joe Garcia. Verdi's eight errors also helped Truckee considerably.

Frates, playing errorless third base, banged out four hits in five times at bat, walked once and scored four of the 18 runs. Ken Foster, rightfielder, walloped out three doubles in three times up and was hit once by the pitcher, also scoring four runs. Giovannoni, on the shortpatch, hit two doubles in five trips while Ernie Dugan, playing a bangup game behind the plate, connected for four singles in five times up. Wakefield hit two for six, Ulsheimer got one for five and Goicoa one for four.

Colfax Game

Bill Campbell led the local hitters against Colfax, getting three for five while Foster got two for five. Stark and Wakefield each doubled in their five trips to bat. Les Davidson went hitless in both games, something unusual for Les, who plays a good game in left field. Rau, Kielhofer and Giovannoni pitched for Truckee against the Fireballs.

Good crowds witnessed both of the games.

The Scores

	R	H	E
Verdi	9	12	8
Truckee	18	20	5

Mortensen, Oxendine, Garcia and Roy Galli; Goicoa and Dugan.

Colfax	17	20	1
Truckee	4	8	3

Fontana, Lecti and Sousa; Rau, Kielhofer, Giovannoni and Frates.

New Rotary President Outlines Year's Program

The Rotary Club of Truckee met Monday evening with William Curran presiding for the first time as president. Program time was given over to the new president to state his aims and objectives for the club for the coming year.

Visiting Rotarians were Fred Jacobsen of Sun Valley, Calif., and Bill Conners of Tahoe City. Guests of Rotarians were Reginald Smart of Truckee and Floyd Kulman.

Pythian Sisters Plan Public Card Party

Summit Temple 79, Pythian Sisters, had a regular meeting with all the past chiefs holding office and Hazel Roberts, most excellent chief, presiding last Thursday. After the meeting, refreshments were served by Ruth Hesse and Lorene McEwen. There was community singing and "barber shop" harmony following refreshments.

The second meeting in July has been set aside for a card party, given to help the treasury. Everyone is invited.

Nevada Professor Will Speak on European Trip

Mrs. Barney Phipps will preside at the business meeting of the Wyethia Club tomorrow night at 8 p.m. and the membership will hear Professor Paul Jensen of the University of Nevada at Reno speak on his travels through Europe last year.

Following the informative talk, refreshments will be served by Mesdames Ernie Dugan, Jack Wolert, Elden Tonini, W. Smisek and J. F. Bayes.

Sun Beams

by Walter M. Barrett

Dave Chambers, veteran Lake Tahoe resort owner, is one of the few in the area who has taken adequate precautions against the possibility of a disastrous fire. He not only maintains a fully-equipped fire department, well staffed and ready for action at a minute's notice, but also keeps a power boat handy and fully equipped. Many times his neighbors have had reason to thank Chambers, and only last week his equipment was rushed to Homewood where a threatening blaze developed. This fire equipment is maintained and kept in constant readiness and the entire expense is borne by Chambers. Last spring part of his equipment was destroyed in a wreck near Lone Pine but was replaced immediately with a new truck. Chambers keeps well informed on latest developments in fire fighting and the department he keeps would do credit to a rather large town. We are sure that residents of his vicinity can rest much easier through their knowledge that Dave Chambers and his fire department are always on the alert and ready.

On the subject of fires, we have noticed an apparent increasing tendency on the part of motorists to toss cigarette butts out of their cars. This is not only an extremely dangerous and careless habit, but is punishable by law. A gust of wind or the wake of the car can send the smouldering tobacco into dry grass and a fire could start within minutes which might take days to stop. Jail sentences for violators would not be amiss since they endanger lives and property with their thoughtless act.

RAYMOND SAIBINI IS ENGAGED TO WINNEMUCCA GIRL

Many friends here will be interested in the announcement of the engagement of Miss Edith Moore of Winnemucca, Nevada, to Raymond Saibini of Reno, a former Truckee boy and son of Mr. and Mrs. D. Saibini, now living in Reno.

Raymond attended the elementary school at Boca and later graduated from the Truckee high school where he was an honor student. He is now completing his senior year at the University of Nevada where he majored in civil engineering, following three years service with the armed forces in the China-Burma theater during World War II.

No date has been set for the wedding. The bride-elect is the daughter of Mr. and Mrs. Gilbert Moore and is a graduate of the University of Nevada, where she was active in campus affairs and was a Pi Beta Phi.

Mrs. May Hospitalized After Tumble on Job

Mrs. Elsa May, who has been employed at the Flycasters Club, is undergoing treatment at St. Mary's Hospital in Reno for an injured back. While engaged in her duties at the club, Mrs. May slipped and fell and x-rays were taken to determine the extent of her injuries.

Miss Dolcini to Bike Thru Central America

Mary Ellen Dolcini of Davis is en route to Mexico City where she will begin a 1200-mile bicycle tour of southern Mexico and Guatemala.

Miss Dolcini taught in the local high school two years ago and last year was with the Richmond schools. She plans to make the two-months trip with bicycle with a party of 11 riders under the auspices of the American Hostel Association of New York. The only other westerner is Nancy Wade of Seattle. The group was scheduled to arrive in Mexico City today and will take to their wheels.

At Tavern—

R. M. Conkey has returned to the Tahoe Tavern print shop for the season.

Forest Fire Near Town Shows Up Dryness Of Area

Damage Is Confined To Half Acre Following Quick Response

Warning of the dryness of the nearby forests was given Friday when a threatening forest fire started within half a mile of Truckee on the hill north of McIver's and burned over more than half an acre of timber and brush before being controlled by the forest service suppression crew and local volunteers.

William Curran, fire control officer, said a partly filled wine bottle found near the scene of the blaze led to the theory that the fire was started by a transient.

Fortunately, it was possible to tap the main water line of the Truckee Public Utility District which ran close to the blaze and Ernie Dugan's caterpillar was on the job immediately after the flames were discovered to keep them from spreading. The crew from George Kaspian's Truckee Lumber Company also turned out and within two hours the fire was under control.

Forest service officials warn that the brush and trees are unusually dry and urge caution in handling fires or discarding burning tobacco and matches.

LOWER SPEEDS IN GATEWAY AREA STILL UNSETTLED

T. T. Buell, district superintendent for the division of highways, has been advised that the recommendation to have 35-mile speed zone signs installed on Highway 40 in the business block at Gateway Park has been rejected.

The two block area, which embraces nearly a dozen business establishments, has been the scene of numerous close calls and several accidents during recent months and residents and business people of the area had requested the signs to slow traffic passing through the district which has two blind approaches.

Stop signs were installed last week on all county roads and streets leading into the highway, but this fails to protect cars and occupants pulling into or out of the business establishments which line the highway.

Buell said his jurisdiction ends with the recommendation and that he cannot order the signs installed.

Summit Cat Driver Has Narrow Escape

Richard Spaulding, employed by Paul Norboe on Donner Summit, experienced a narrow escape from serious injury Friday when a Caterpillar he was operating overturned. The driver was thrown clear and was not hurt and the tractor was not badly damaged.

Wolert Kin Arrive Here From Native Germany

Mr. and Mrs. Ernie Kaakschlief arrived in Truckee yesterday from their native Hamburg, Germany, and plan to make their home in Truckee, where Kaakschlief will be associated with his uncle, Jack Wolert, in the building business.

The young couple, each 21 years of age, arrived in New York Monday, Tuesday flew to San Francisco and were in Truckee Wednesday morning on their record trip. Kaakschlief is a master mason and in Germany was a superintendent.

Mr. and Mrs. William Wolert, who last year arrived from Germany, arrived yesterday to spend the Fourth with their uncle and aunt.

IN COUNTY SEAT

Supervisor H. G. Loehr and Mr. and Mrs. Douglas Barrett were visitors in Nevada City on Monday, Loehr attending a meeting of the board of supervisors and Barrett a meeting of the county probation committee.

Stubley Seated As President Of Tahoe Chamber

KINGS BEACH— Harry Stubley, local real estate broker, was installed as president of the Lake Tahoe Chamber of Commerce at a dinner meeting at Stateline Country Club on June 27. He succeeds C. W. Vernon, Tahoe City justice of the peace and charter member of the chamber. Vernon had previously served as vice president and director of the chamber.

Immediate appointments of standing committees is planned by the new president, with emphasis on committees concerned with fish and game, highway and road improvement, advertising and publicity.

Ross Frank, secretary manager of the chamber, reported more than 300 attended the installation meeting.

HOSPITAL ROOF TO BE PUT ON NEXT MONDAY

C. R. Heller, president of the Tahoe Forest Hospital District board, reports that Contractor John Shreck is scheduled to start installing the roof on the new hospital next Monday. The roof will be an innovation in building materials here as the composition will comprise Vermaculite, pumice and cement, to be poured on a steel netting.

The material thus created is light in weight but has the qualities of strength and insulation equal to a roof many times its weight.

The hospital board will meet with Architect George Sellon tomorrow evening for a report on the building's progress.

OUTBOARD RACES SLATED JULY 15 AT DONNER LAKE

The second annual outboard speedboat races will be held at the west end of Donner Lake Sunday, July 15, starting at noon, Hap Warnke, manager of Donner Lake Lodge, reports. Some of the fastest boats in the west are scheduled to compete and an afternoon of thrills is promised.

Trophies will be awarded that evening at Donner Lake Lodge and everyone is invited to join in the fun.

Woman Injures Back In Fall at Donner Lake

Mrs. A. Farilla of Marysville, who spends the summer at their home on Donner Lake, suffered a severely injured back this week when she fell between the joist on the second floor of their home, still under construction, and landed on the floor below. She is being treated by Dr. L. D. Nelson for injuries to her lower spine.

Grandson of McGlashan Opens Lake Law Office

KINGS BEACH— David K. Gilmore, Oakland attorney, has opened a law office at Kings Beach and plans to be there on Fridays "from now on."

Gilmore is a grandson of the late C. F. McGlashan, pioneer attorney and editor of Truckee. He has spent all his summers since birth either at Truckee, Donner Lake or Lake Tahoe. His wife and sons, Barney and Scott, will again spend the summer at the family cottage at Crystal Bay.

Gilmore has been practicing law in Alameda County since 1935, the year he graduated from Boalt Hall at University of California. For six years he served as city attorney of San Leandro and recently was president of its chamber of commerce.

CATCHES RARE FISH

While fishing with relatives at Carmel, Johnny Firpo snared a rare specimen in the sea and his catch was purchased by the Stanford museum for study. John has been spending two weeks vacationing at Carmel.

Back at Store—

Mrs. Ametta Firpo, who has been convalescing from a major operation at her home, has returned to her duties as manager of Cabona's Store.

School Board Is Asking Definite Completion Date

W. A. Loynd Is Renamed School Board Head On Monday

For the purpose of obtaining a definite completion date for the new Tahoe-Truckee High School plant, those associated in the building program have been invited to attend a meeting of the governing board to be held Friday, July 13, at 8 o'clock at the office of E. V. O'Rourke, district superintendent.

This meeting will be held in lieu of the regularly scheduled session for July 12.

Those invited to attend for a round-table discussion are Melvin Gardner, general contractor; Gordon Stafford, architect; Albert Bequette, superintendent of Placer County schools; Al Broyer, Placer County district attorney, and George Finster of the bonding department of the Continental Casualty Company.

On the basis of unofficial promises, the board has outlined a program for starting the fall semester in the new building and has employed teachers and other employees on that premise. The officials have indicated they are not satisfied with the sustained progress on the building to date and are anxious to determine what can be expected in the future.

Loynd Renamed

W. A. Loynd was reelected as president of the board at the reorganization meeting held Monday and C. S. Martin of Tahoe was named as clerk to succeed William Rutherford, clerk of the board since its organization.

To Open Bids

Bids for supplying shop equipment for the new school will be opened at the meeting July 13, O'Rourke said.

WM. I. TAYLOR, HERE 9 YEARS, DIES MONDAY

William I. Taylor, 67, for the past nine years a resident of Truckee, died suddenly at his room here Monday night and funeral services were conducted by the Truckee Colonial Mortuary.

Taylor, a pensioner, had previously been employed as a laborer with the division of highways and worked at Calpine, Portola and Tahoe as well as in this area. He leaves no known relatives.

DISTRICT LEADER IS DUE HERE TO INSTALL OFFICERS

Commander H. L. (Bud) Owens announces that the next meeting of Truckee Post 439, American Legion, will be held on Friday evening, July 13, instead of on the regular meeting date. The meeting date was altered to permit district officers to attend and install the post's officers for 1951-52.

Andy Cordill, sixth district commander, of Sacramento will be on hand with his staff to preside at the installation. John Rau is slated to succeed Owens as commander and other recently elected officers will take over their duties.

Owens asked that all members and prospective members make an effort to attend. Refreshments will be served.

Dr. and Mrs. Nelson Back from Vacation

Dr. and Mrs. L. D. Nelson returned Monday evening following a brief enforced vacation trip because of the doctor's health. Overwork brought on a physical collapse but he returned completely restored in health and has resumed his practice here.

During their absence, Dr. and Mrs. Rene Modglin of Glendale occupied the Nelson home and attended Dr. Nelson's patients.

New System Installed For P. O. Money Orders

The postal service brings a new streamlined money order system, according to Postmaster E. C. Bavier. The new punched card money order is issued more quickly and paid more conveniently than the old blue paper form. No specific post office is named for payment and it may be cashed at any post office or bank.

As the new money order is punched with small holes so they may be processed through electronic machines, the public is requested not to fold, staple, spindle or mutilate them.

This new money order takes the place also of the postal notes which were issued to the amount of $10.

Here on Fourth—

Mr. and Mrs. Robert Bowers of Reno visited relatives and friends during the Fourth.

HOBBYISTS TO GIVE MANY GIFTS AT FESTIVAL JULY 20-22

A list of fascinating gifts will be given during the three day AAUW Hobby Festival at Tahoe City July 20, 21 and 22. These consist of samples of hobbies contributed by exhibitors.

Unique among the gifts is an invitation for four for an afternoon sailing on Lake Tahoe in the Bear sailboat Polaris of Marion and Kjell Rustad, with whom sailing is not only a hobby but also a business.

A home-baked cake made by Tahoe City's renowned cake baker, Jean Henry, and decorated right at the festival by Gertrude Stark will be another of the gifts given at the show. Both these hobbyists are contributing their talents to a demonstration that will delight all kitchen artists. Mrs. Henry, whose cake baking hobby has brought her local fame, will provide a luscious groundwork for the artful touch of Mrs. Stark, who will frost the cakes and then demonstrate hre decorating technique. One fortunate guest will tote the beauty home.

A hand knit ski sweater made by exhibitor Mrs. Milton Hogle of Donner Summit will also be given. Yet another gift will be one of Mrs. Don Painter's clever handmade dolls, a blue ribbon winner at California State Fair. One of Marie Teskey's scenic lampshades, made of photographic paper, will also be given away. A display of 24 of the latter's colored photographs of California Missions will be one of the outstanding exhibits at the festival.

Ice Cream Social, Picnic On WSCS Calendar

KINGS BEACH— The local WSCS is planning an ice cream social for July 13. Details will be worked out at a meeting to be held July 10 at the Crystal Bay home of Rev. and Mrs. A. Carmitchel. The Carmitchels were scheduled to be hosts to the Truckee WSCS this Thursday.

The local church group plans a picnic at the Tahoe Vista home of Mrs. Anna Blaue on July 26.

Holy Communion will be held by the church here on Sunday, July 29, at the 11 a.m. worship service and on the same date in the Truckee Community Methodist Church at the 9:30 a.m. worship service.

U.N. Staff Buys Food for India

Within two weeks after receiving an appeal to aid famine-stricken India, United Nations staff members had contributed over $11,000 to buy grain for India. Here, Dr. Ralph Bunche, Director of the U.N. Trusteeship Division and Chairman of the U.N. Secretariat's Committee for Food Relief to India, presents a check to George E. H. Marshall of UNICEF. Looking on, from left to right, are: T. A. Raman of India, Secretary of the U.N. Secretariat Committee for Food Relief to India; U.N. Secretary-General Trygve Lie, and Assistant Secretary-General Shamaldharee Lall, also of India.

Round-Up Night Planned At Callender's Lodge

HOMEWOOD— Ben Callender of Callender's Lodge reports his place will feature a Round-Up Night on Saturday, July 7. Guests are invited to come in western garb or as they are and prizes will be awarded for the best costumes.

A feature of the evening will be a horse shoe guessing contest. Hundreds of horse shoes have been used in deocrating the resort and prizes will be given those guessing closest to the actual number of horse shoes. Callender emphasizes that the ox shoes also used in the decorative scheme do not count for the purposes of this contest.

Mistake Motors for Junk; Have Day in Court

TAHOE CITY— A case of honest and enterprising intentions with unlawful results brought three men into the court of Justice of the Peace C. W. Vernon on Monday.

John Woods and James Easton of Pineland and Wally Watkins of Truckee were charged with petty theft and, upon pleas of guilty, were given suspended fines of $50 each. Barney Phipps of Truckee charged the trio had taken motors from an old mill up Deep Creek on June 3. Constable Harry Johanson spent three weeks investigating.

On June 25, the officer found the motors on the rear of a truck at the Woods home and Phipps identified them as his. The three told Vernon they had taken the motors for salvage, believing them to have been abandoned.

Justice of the Peace C. W. Vernon ordered them returned to the county jail under $5,000 bond each. The preliminary hearing had to be delayed pending the availability of a court reporter to take the transcript.

Carl Bechdolt Jr., owner of the missing equipment, identified the three as having been in the vicinity of the club house at the time of the theft.

COUNTY AID ASKED ON PARKING IN SODA SPRINGS AREA

NEVADA CITY— The parking problem of visitors who flock to the Soda Springs area for winter sports was laid before the board of supervisors yesterday.

Charles Van Evera, who runs a ski tow, and Dennis Jones, owner of a ski lift in the area, asked the board to provide additional parking space because the lodges there had already done what they could and that wasn't enough.

They suggested widening of a quarter mile of county road from the bridge across the Yuba River to the county line. Jones, who said he owned the stretch of land on both sides of the highway section, said he would deed enough land for the widening and also promised to guarantee the county's old right of way, something that had never been cleared up.

Van Evera asked Supervisor H. G. Loehr of Truckee, in whose district the winter sports center lies, to go to the spot with Road Commissioner J. F. O'Connor and mark off enough land to provide diagonal parking along the highway, so that Jones could draw the deed.

Supervisor J. C. Coughlan asked why Loehr had asked Van Evera and Jones to bring their request before the board when Loehr could have handled it alone.

"I believe that the whole board should know about road matters in my district," Loehr replied.

Both Loehr and O'Connor agreed to go out to the scene next Sunday afternoon.

In presenting the request, Van Evera told the board that the Soda Springs resorts had done a gross business of more than a million dollars last year, 80 per cent of it in the winter months.

Warren Signs Bill, Extends Powers of Commission

SACRAMENTO —(C. N. S.)— Governor Earl Warren has signed into law a bill by Assemblyman Francis Lindsay to extend for two years or until the 91st day after final adjournment of the 1953 legislature the authority extended to the fish and game commission to close any stream, lake or inland waters to fishing, except for commercial fishing.

SWANEE'S TAHOE LETTER

PHONE TAHOE CITY 39W

Tahoe City, July 1

Dear Tahoeites:

Have just been notified by one of my Sacramento papers of a terrible wreck near Twin Bridges on Highway 50. Seems a sedan is reported to have been on its way down the grade and a pickup truck on its way up. The sedan reportedly was on the wrong side of the road and the headon collision caused serious injuries to a number of persons, including three little children in the truck. All were rushed to hospitals for medical care, but how easily that could have been avoided. Why, oh why, do people drive on the wrong side of the highway? There just isn't any plausible excuse for such carelessness, unless the road is washed out, suffered a slide or something of that nature. Tahoe area roads are not dangerous if ordinary care is exercised in driving and that old wheeze we hear day in and day out is not so foolish after all — Drive carefully, for the life you save may be your own.

The cruiser Tahoe made its first all the way around the lake cruise today but stops were not made at resorts other than the terminal, Tahoe Tavern. The starting date of the regular schedule has not yet been definitely set.

Called Squaw Valley tonight for results of today's second annual summer ski derby, which was all in fun. Dick Buek of Donner Summit took first men's place and Lee Kierman of San Francisco of San Francisco took ladies' first. A good crowd was on hand and although snow was slushy, it was reported fast by the 15 entrants.

Mrs. Marie Henry has had more letters from globe trotting daughter, Mrs. William Lyman Griswold Jr. of Greenfield, Mass., who has finished her month's visit with the former Alice Soll in Iceland and is now visiting England. She writes that she planned a brief visit to Ireland before enplaning for Boston airport.

Mr. and Mrs. George Mortimer of Tahoe Park are back for the summer. They were a little late this year because of a motor vacation to the east.

The Imon Mitchell home in the Sunnyside district was a busy place over the past week or two. Guests who visited included Mrs. H. Youman of San Francisco who enjoyed a week there; Hal Sharrow, formerly of Homewood, who came up for a day and reports he will build a cabin this summer on Ward Creek and just vacation; well-known artist Loren Holmwood, who drove down from Oregon where he has spent several months doing numerous portraits for prominent Oregonians and who'll be back as soon as Ward Creek subsides and the snow is gone from the mountain top of his property so that logging roads may be built, and over the uast weekend Miss Georgia Hansen and Don Franco of Sacramento.

Private Florence Vernon of Hamilton Field's photo lab is home on a ten-day furlough and enjoying every minute of it. Florence arrived on Friday last and does not have to return to base until July 12. Her mother, Mrs. Ethel Vernon, observed a birthday on June 25 and she and her husband enjoyed a trip to Carson City, dinner and the theater. She received many lovely gifts and cards.

Finish my letter on Monday evening and am told the luncheon and fashion show held at Homewood Resort hotel for the Women's Club of Tahoe and guests was a real success. Ten lovely models, all local lovlies, displayed an attractive array of women's fashions, starting with bathing outfits, play clothes, casuals and then cocktail gowns. Details will be found elsewhere in today's Sun.

Will ring off for the week and do hope that sane, careful driving will see you all with us for next week's issue of the Sun. The lake area is showing an advance arrival for the holidays, so take heed—don't let death take your holiday. My best to one and all, as ever, Swanee.

FROM SAN DIEGO

TAHOE CITY— Mr. and Mrs. Albert Stevenson and their daughter, Mrs. Ethel Severson, and son, Corky, of San Diego arrived on Monday to spend July at the lake. They have taken the large Sears' home on the lakeshore at Sunnyside. The family has been coming to Tahoe for a number of years for their summer vacation and has many friends in this area.

Average rainfall in California varies from more than 100 inches to three inches or less annually.

SURVEY OF SEPTIC SYSTEMS BEING CONDUCTED AT LAKE

TAHOE CITY— James A. Wheat, chief sanitarian of Placer County, was in town this week from Auburn. He reported the Placer County health department is making a sanitary survey primarily to determine existing conditions as regards disposal of septic tank affluent. Dave Thom, sanitary inspector for the county, is making the survey under the direction Wheat.

Tahoe Vista area sewage survey has just been completed and other areas will follow in Tahoe City. The Truckee River survey was made last summer and a follow-up will be made this season.

Tahoe Resort Owner Now In Korea

TAHOE CITY— Second Lieut. William Briner, half owner of Sunnyside Lodge about two miles south of Tahoe City, has written his family from his present location near Wuochow, South Korea.

Lieut. Briner has taken an indefinite leave of absence and expects to remain with his organization, serving as a reconnaisance officer of aerial photography. He was called into service last March, having enlisted as a member of the reserve corps. During World War II he served 2½ years in the Suoth Pacific as a member of the Navy submarine service.

His brother Connie is operating the resort they own together during his absence.

FLORISTON

by C. A. FELESINA

Mrs. Carl Leisure entertained in honor of the fifth birthdate of her son, Rod. Games were played and refreshments served. Those enjoying the party were Claudia, Davie and Steve Ayala, Peter Marble, Jock Leisure and the guest of honor.

Dot-So-La-Lee Post 12, American Legion, of Reno held a picnic and barbecue at the home of one of their members, Mrs. Clara Felesina, here. Members of the all-woman post attending were Lorie Worley, Billie Yates, Mertie Zmak, Eleanor Bain, Marjorie Humes and Mrs. Felesina.

Mrs. Frank Seymour has returned from a weeks' visit in Los Angeles. Her little granddaughter, Susan Laking, returned with her to spend some time.

Guests at the Julius Smits home over the weekend were Mr. and Mrs. Gene Hammersmith and family and Mrs. Edna Hammersmith, all of Sparks.

NOTED BAY CLERIC WILL PREACH AT ZEPHYR ON SUNDAY

The Rev. and Mrs. William Taylor Gillespie and daughter, Gail, will be guests at the Donner Lake home of Mr. and Mrs. Arthur Lindauer on next weekend. The Rev. Gillespie is pastor of St. Paul's Presbyterian Church in San Francisco and will preach a very timely sermon at the Donaldson Memorial Chapel at Zephyr Point, Lake Tahoe, at 11 a.m. Sunday, July 8.

The widely known and respected bay area minister has chosen as his sermon theme "Security of the Home, the Church and the Nation."

Arthur Lindauer, known for his outstanding work in bay district churches, will be the soloist at the service and has chosen for his solo "How Lovely are Thy Dwellings."

ASSESSED VALUES IN TAHOE AREAS SHOW BIG INCREASE

AUBURN— The Lake Tahoe area of Placer County again led the entire county in increases in assessed valuation in 1951-52 over 1950-51, according to a report by Lloyd Geraldson, county assessor.

The Kings Beach and Brockway area was assessed at $3,342,400, a gain of $443,670 over last year. The Tahoe City area south to the El Dorado County line was assessed at $4,313,210, a gain of $534,010 over last year.

This represented gains of $1,201,220 in the Kings Beach and Brockway area and $1,328,005 in the Tahoe City south area since the fiscal year 1948-49, according to a study of past records.

The total roll for the county for 1951-52 amounted to $38,114,205. Of this, $2,877,845 is unsecured personal property, leaving $35,236,360 subject to taxation for the coming fiscal year. The assessment rolls show a gain of $2,814,900 over last years.

Utility assessment figures will not be available until later this month, according to Audtor William R. Stephens. Last year's utility rolls amounted to $22,702,110. The utility rolls, separately determined by the state board of equalization, seldom varies more than half a million dollars, which indicates the combined county assessment rolls for 1951-52 will probably be in excess of 60 million dollars.

Other areas of the county and their increases over last year are:

City of Auburn, $4,332,680; up $227,495.

Lincoln, $2,059,920; up $39,495.

Rocklin, $369,165, off $4,155.

Colfax, $609,350, up $157,235.

Newcastle, Penryn, Loomis district, $4,164,050, up $144,795.

Auburn rural area, $3,300,660; up $440,655.

Roseville, $5,334,370, up $195,645.

Foresthill, Iowa Hill area, $1,493,900, up $440,120.

The Placer County board of supervisors plans to meet every Monday during July, discussing the 1951-52 budget and sitting as a board of equalization, according to Chairman William Haines.

Luhrs Entertain Guests At Home on River

TAHOE CITY— Mr. and Mrs Elfred Luhrs of the Truckee River entertained in style their household of guests who enjoyed the weekend at the beautiful Luhrs home beside the river. A very special treat at breakfast on Sunday morning was rainbow trout, caught by Mr. and Mrs. Luhrs, their daughter, Mrs. Ollie Meek, and C. J. Virgilio of San Francisco. The quartet caught the trout, which ranged from nine to 12 inches in length, in the back country.

On Sunday afternoon, Mrs. Meek took the guests around the lake in the family speedboat with stops at the larger resorts. On Sunday evening, the Luhrs hosted a barbecue for their guests on the lawn near the swimming pool.

Guests included Messrs. and Mesdames John Bercovitch of Fresno, Robert Eddy of Carmel, Fred Glauser of San Francisco, Ollie W. Meek of Lafayette and Granville Abbott of Tahoe; Wm. Brougher of Tahoe, Jess Coe of Monterey and C. J. Virgilio of San Francisco.

Kay Starratt Leaves for Ranch in Wyoming

TAHOE CITY— Miss Kay Starratt of Tahoe City has left for her Elbow Ranch near Jackson Hole, Wyoming, where she is again this summer operating a guest ranch. Official opening date was last weekend and she reports a full house.

Eighty-seven per cent of the land area of North Dakota is in farms.

SUSPECTS IN THEFT OF GOLF GEAR CAUGHT IN UTAH

TAHOE CITY—Constable Harry Johanson of Tahoe City on Wednesday midnight last week received a wire from the Salt Lake City police that they were holding three men, Calvin Morris, Lester Benjamin Manz and Earl Ward, whom they picked up with numerous sets of new golf clubs, balls and golfing accessories valued at between $2,000 and $3,000 in their possession. The trio had reportedly tried to sell the merchandise to a Utah golf course at extremely low prices.

The report from Utah is that the men confessed burglarizing the Tahoe City club house of Carl Bechdolt Jr. and waived extradition. Sheriff William Elam of Placer County left immediately to bring the prisoners back to jail in Auburn.

Johanson's hunch that a maroon convertible seen loitering at both the Brockway and Tahoe City golf links was involved, coupled with the suspicious actions of the three men led to teletype description of the car with a "hold" order for it if found.

FIRE AT HOMEWOOD IS CONTROLLED BY PROMPT ACTION

HOMEWOOD— A fire of undetermined origin was discovered around noon last Thursday in a vacant lot near The Hut in Homewood. The discovery was made by Mr. Hallanan, an Oak Street resident, who ran to The Hut where several men responded with shovels and hose while Mrs. Edgar Myers spread the alarm by telephone.

In the meantime, several hose were connected but could not reach the fire from The Hut until Dave Chambers' fire trucks arrived from Chambers' Lodge with more hose. The Tahoe City fire department and forest service workers arrived right after the Chambers' trucks but were not put into use as the Chambers' equipment soon had the fire under control.

Mr. and Mrs. Myers, along with the many neighbors who live nearby, expressed their appreciation for the response to the emergency by the various organizations and individuals.

MEMORIAL LIBRARY MAY BE READY TO OPEN IN AUGUST

TAHOE CITY— Tahoe City's new public library building, a branch of Placer County Free Library, is rapidly nearing completion. The building, long needed in this area, has been donated to the people here by Carl Bechdolt Sr. of Tahoe Inn and is being erected as a memorial to his late wife, Mrs. Julia Bechdolt. A bronze plaque will be placed at the corner of the building in her memory.

Mrs. Ruth Hoffman, local librarian, believes the new library will be ready for occupancy around the first of August and plans for an opening party are being formulated by the towns people.

The building is 22 feet across the front and 26 feet deep. It will have large windows overlooking the lake and is being built between the Tahoe Community Center building and the fire house. Special attention will be given to accommodations for the little folks, the space under the wide windows to serve as shelves for their books, with little benches just their size.

Miss Jan Cotton, county librarian, visited Tahoe on Saturday and promised to see that all the added shelves in the new library would be filled with the most wanted books when the building is completed.

Mrs. Hoffman plans a Friday afternoon story hour for the children of Tahoe Lake School each week, a different age group visiting each time. She also plans to cooperate with teachers of the school by sending for special books needed for special school projects.

An anonymous friend is donating a book truck for the new library to be made to order by Oscar Quam of Tahoe City. While some furniture is available from the old library, a long table and six straight chairs will be needed to complete the accommodations.

On Friday an anonymous writer sent the volume Bonanza Railroad to the local library, in memory of the late Theodore Schlueter. It was greatly appreciated.

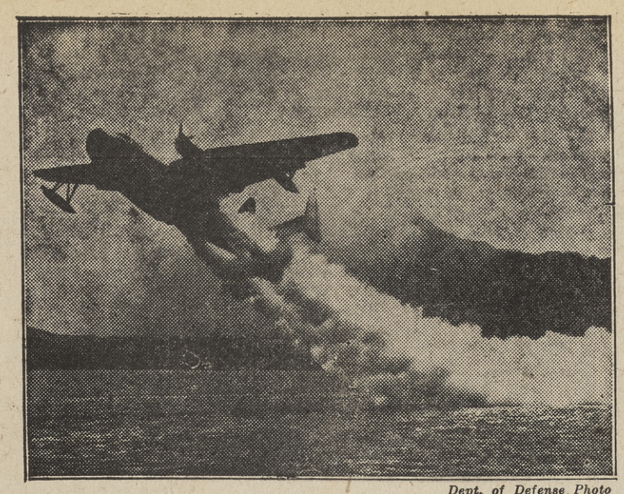

Beautiful Weather For Week at Tahoe

TAHOE CITY— Clear and pleasantly warm has been the weather at Lake Tahoe for the week ending on Monday, a study of the weather report by Observer A. E. Frodenberg indicates. The daily high and low temperatures were:

June 25th: 69, 40; 26th: 76, 43; 27th: 79, 41; 28th: 78, 38; 29th: 73, 34; 30th: 80, 44; July 1st: 77, 38; 2nd, low 39.

With 15 gates open at the dam, the lake level Monday was 6228.84 feet above sea level.

Bank of America will remain open on Saturdays

For your accommodation Bank of America will continue to render banking service on Saturday.

This bank considers itself a public service institution, rendering service at such time and in such manner as the people determine best suits their needs.

Since Saturday is the busiest day of the week at our bank, it is apparent to us that many workers, farmers, small and large businessmen—and others—find it most advantageous to conduct their banking business on that day.

Mr. and Mrs. Doug Larson of the Bay area are up for the summer. Mrs. Larson was formerly Barbara O'Brien of Kings Beach, the daughter of Borue and Dorothy O'Brien. Young Borue writes that he is enjoying his work at the naval sonar school at San Diego.

Lois Zurfluh was up over the weekend visiting her parents, Mr. and Mrs. Forest Zurfluh at their summer home at Kings Beach. Lois is completing her nursing training at the Alameda County Hospital in Oakland.

Guests of the Dan Andersons for the past week were Mr. and Mrs. E. L. Doering of Kansas City, Kansas, and Mrs. Doering's brother, Frank Russell, of Oakland. Doering is a brother of Louise Anderson. Present guests at the Anderson home are Mr. and Mrs. Everett Farwell of Alameda. Mrs. Farwell is past grand matron of Grand Chapter of O.E.S. Oh, yes, Patty is at home for the summer too. Mrs. Patricia Walsh, daughter of the Andersons, with her three daughters, are up for the summer.

Mr. and Mrs. Paul Koltes have re-opened the Pine Pantry at Kings Beach, having spent the winter in Sacramento.

The WSCS extended thanks to Faulkner and Antonson for the use of their store in holding a successful food sale recently.

SANITARIANS HOLD BUSINESS MEET AT KINGS BEACH

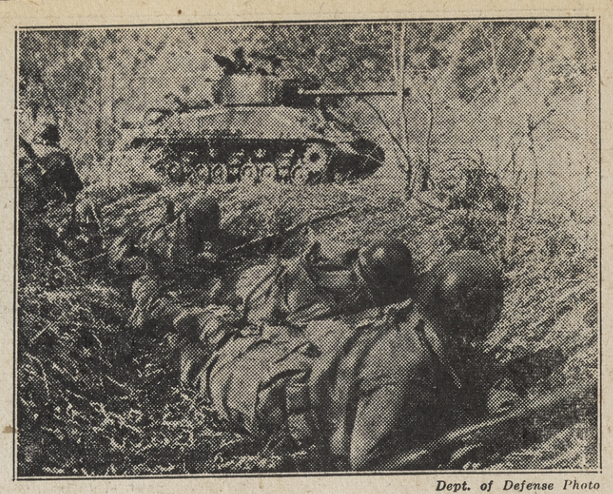

KINGS BEACH— The health officers of California at a recent conference authorized a study on the evaluation of a public health program in environmental sanitation. It was decided that this would be the subject taken up by the directors of sanitation in the various local departments of health throughout the state at their next meeting.

Chief sanitarians representing the counties of Plumas, Placer, Colusa, Sutter, Yuba, Sacramento, Butte and Yolo met for their regular quarterly session June 22 at Kings Beach.

James A. Wheat, chief sanitarian of Placer County, acted as chairman with the following chief sanitarians participating: George Moran, Sutter-Yuba; Melvyn Olson, Sacramento; Howard Toussaint, Butte; Hugh Hart, Yolo. Arnold Prucha, director of sanitation for the Sacramento city health department; Donald Helgren, sanitarians' consultant for the state, and Mildred Snyder of the state bureau of records and statistics were also in attendance.

Fred Horne, guest speaker, talked on some new developments in the use of soil amendments for more efficient disposal of effluent from individual septic tank systems. Horne is the western representative of the Camp Chemical Co., Inc., of New York.

The next quarterly meeting of the sanitation chiefs will be held at Marysville late in September.

SOLONS URGE OPEN SEASON ON DOE TO IMPROVE HERDS

SACRAMENTO— After a thorough study of California's wildlife problems, the assembly interim committee on fish and game has published the results of its two-year studies, which include a recommendation for limited shooting of antlerless deer.

The 10-man committee joined other state and federal agencies in urging the opening of game refuges to hunting and balancing livestock and deer numbers in critical grazing areas.

"Restricted doe shooting should be instituted on a permit basis over a two-year period," Chairman Thomas M. Erwin reported. In making this recommendation the committee again expressed the qualification that a depletion of the deer herd must be met with a reduction of livestock on the ranges by the livestock interests in a proportionate ratio as provided by the Taylor Grazing Act.

"The findings of the University of California, the division of fish and game and the U. S. forest service were to the effect that a surplus of does is not necessary to maintain the herd population, largely because many does are not able to withstand severe winters on depleted ranges. Of those that do survive, many are not able to reproduce because of malnutrition.

"The fawns that are produced are to a great extent so weak that they die, and accordingly do not increase the herd."

The committee believes that California's present system of deer refuges has secured its goal—the protection and conservation of deer.

"Statistics and physical experience indicate that vast numbers of deer breed, live and die within the confines of a refuge and serve no other purpose than simply existing."

No game refuge should be closed for more than seven years, the committee concluded, and existing refuges should be opened and adjacent areas closed where scarcity is apparent.

Loehr Discourages Talk Of Court in Vets' Hall

The possibility of using the Veterans Memorial Building in Truckee for the justice court was discouraged by Chairman H. G. Loehr of the board of supervisors when the subject was brought up by Supervisor Frank Rowe at the recent board meeting.

Loehr said the suggested idea might be worked out during summer months but because of the location of the building it would hardly be practical in the winter.

The use of the veterans buildings by the county officers to save rent both here and at Grass Valley was discussed without any action.

Board Tables Request For Clerk's Pay Raise

The board of supervisors deferred a request by Judge James Snell that a sufficient salary be established so that capable court clerks could be retained, pointing out that he had been required to train five clerks in less than five years. The present clerk, Erik Anderson, will get $231 in August

WOMEN'S CLUB SEES FASHION SHOW AT LUNCHEON MEET

HOMEWOOD— Mrs. Wesley Donaldson, president of the Women's Club of Tahoe, presided at the luncheon and fashion show staged by members at Homewood Resort hotel last Thursday afternoon with 62 members and guests attending.

An array of the latest women's fashions, ranging from bathing suits and play clothes to cocktail gowns were cleverly modeled by ten local lovlies. They included C. D. Huff, Everett O'Rourke, James Brehler, Patti Scott, Vey Young, Beccy Shontz, Sally Pringle, Doris Stoner, Barbara Swain and Helena Rhea. The apparel was from the Dixon Shop of Homewood and the models were assisted by Billie Bacon, manager of the shop. Don Huff served as emcee and Miss Edith Charlesworth as hostess.

Used for the first time was the new Holiday Room at the hotel, which has been added to the lakeshore front of the resort and will be used for private parties this summer.

Following the dinner party, a short business meeting of the board of directors was held. There it was announced that the Women's Club of Tahoe will be hostess to the annual Tri-County meeting and luncheon at Homewood Hotel on August 16, starting at 10 a.m.

TRIO IS RESCUED AFTER BOAT UPSETS ON LAKE

TAHOE CITY— A chilly dunking was received Tuesday morning by Mrs. Henry J. Kaiser and her two companions, Dr. Sidney Garfield, head of Kaiser's Permanente Hospital in Oakland, and his assistant, Dr. C. C. Cutting, when the trio was dumped into the waters of Lake Tahoe while enjoying a sail in the Kaiser aluminum sailboat. Two large pontoons on the boat did not prevent it from turning over.

Their plight was discovered by Ernest Faure, gardener on the Kaiser estate. He notified Otis Hursey, caretaker, who set out to the rescue in a speed boat. Henry Kaiser, in another speedboat, arrived ahead of Hursey and brought the stranded trio to safety. They were sitting on the upturned bottom of the boat when he arrived, laughing at their unusual experience. None appeared to be injured.

Tent City in Korea Where U.N. Quarters Its Prisoners of War

Nearly 150,000 prisoners of war from the Chinese and North Korean Communist armies are held by the United Nations forces in huge tent compounds like the one shown at left above. The camps are kept clean and in order by the prisoners themselves. At right, a U. S. Army nurse, Captain Virginia Gillespie, of Mentone, Cal., aided by a captured Korean physician, treats a young prisoner who suffered a leg wound. Prisoners who are ill are treated in the world's largest hospital, which has 10,000 beds. The Unified Command reports that the prisoners range in age from 15 to 60 years.

OFFICIALS IN DRIVE ON OVERLOADS ON STATE ARTERIES

by HENRY C. MacARTHUR
(Chief, Capitol News Service)

SACRAMENTO —(C. N. S.)— Some indication of the terrific beating taken by California highways is shown in a recent report of the California Highway Patrol, which indicates that during a five-month period, a total of 17,784,782 pounds of cargo was removed from overweight trucks.

Legal loads vary on different types of trucks but a formula is worked out to designate how much a truck can carry per axle without damaging the highways.

It is this formula a good many truck owners seek to exceed, and do, because the limited facilities of the highway patrol under Commissioner Clifford E. Peterson preclude investigation and weighing of every truck on the road. So the amazing total of overload actually found by the department probably is merely a drop in the bucket to the amounts of actual overloads that travel the highways every day.

The amount of overload, the patrol says, has gone up, because the officers found only 16,502,846 pounds during the first five months of 1950. One answer, of course, is the fact that more trucks are traveling the highways.

Fortunately, the state legislature did something at its 1951 session to protect the people's investment through the gas tax in their state highway system.

Overloading among other things was the subject of a study made by a senate interim committee under Senator Ray Judah of Santa Cruz. This committee took its work seriously and turned in a report which rated among the better interim committee studies.

Senator Judah did not stop with the report, he followed through with legislation not only on the subject of overloading but also to correct numerous other deficiencies in the highway laws.

The overloading solution was easy—it simply was "take the profits out of overloading."

In other words, a truck owner will be given a leeway of 1,000 pounds before the fines start. For anything over 1,000 pounds, he will be fined $10, a mandatory fine in the statutes.. This scale graduates in specific amounts up to a maximum fine of $1,000 and was worked out systematically so the amount the trucker can charge for frieght would be about the same as the amount of overload.

This law is scheduled to go into effect in September and from that time on, it is expected that statistics relating to over-legal loads on the huge trucks found on every main arterial in California will start decreasing rather than increasing.

There is, of course, the theory of the illegal operator that he may be lucky and won't get caught. This is where the highway patrol comes into the picture and officials state that the record of 8,472 citations for overloading during the first five months of this year may be some deterrent to those who would load trucks so the springs hit the axles.

For even if it is short-handed, the patrol is on the job, new scales are being installed in various parts of the state and a definite move is on by the people of the state to protect their highways from being broken up by illegal loads.

Dept. of Defense Photo

THE LIGHTER SIDE—The faces of these infantrymen express their appreciation of a recent special services show presented before a group of United Nations troops at a rest area behind the lines in Korea. This was not far from the fighting front and soldiers carried their arms to be prepared if necessity suddenly required them to resume their grim work of combat.

California's first game law was passed in 1852, two years after the state was admitted to the union.

Workers With Blind Speak to Rotarians

HOMEWOOD— With 57 Rotarians, 35 of them visitor members, in attendence, the Tahoe City Rotary Club met Tuesday noon at Homewood Resort with the guest speakers being Misses Rose Resnick and Nina Brandt, guests at the resort.

Miss Resnick gave a very interesting talk on "Recreation for the Blind." She is executive director for Recreation for the Blind and a well-known pianist and lecturer. She holds a BA from Hunter College, a general teaching certificate and Master's degree from University of California. Miss Resnick pioneered in the New York Association for the Blind Lighthouse activities and is founder of Recreation for the blind. Due to her magnetic personality and remarkable adjustment to her handicap she has been an inspiration to persons interested in the organization as well as the children served.

Miss Brandt, a registered nurse, is activities director of Recreation for the Blind. During World War II she was a captain in the army nurse corps and served three years in the ward for the blind at Letterman General Hospital. Following her discharge, she joined Miss Resnick in the establishment of Recreation for the Blind. The Enchanted Hills Camp near Napa is a major project of the organization.

Miss Resnick also introduced her seeing-eye dog, "Toddie", to the members and guests.

Postal Ballot to Settle Sewage Pay Problem

KINGS BEACH— A postal ballot will be taken to guide the directors of the North Tahoe Public Utility District in planning ways and means of financing the operaton of the PUD sewerage system.

This was decided following a meeting here which failed to bring agreement between proponents of the taxation on property versus a meter rental charge. Ballots will be sent out to all property owners and will be returned by October 1 so that a system may be decided upon for the 1952-53 fiscal year.

Has Operation—
Mrs. Bert A. Cassidy of Auburn, sister of James McIver and former local resident, recently underwent a leg operation and she will spend the summer recuperating at Santa Cruz.

Fuessels at Homewood—
Dr. and Mrs. G. B. Fuessel of Altadena have arrived to spend the summer months at Homewood.

Soda Springs Driver Cited After Accident

ROSEVILLE— The highway patrol reported Judith, 9, and Adele Payne, 4½, daughters of Estil Payne, Colfax, were hurt in a traffic accident west of Emigrant Gap last weekend.

The childen were passengers in a car driven by Payne, the report said, and the vehicle was rammed from behind by a pickup driven by Cyril J. Roemer of Soda Springs. Roemer was cited for following a vehicle too closely and illegal mountain driving.

Lake Tahoe Justices Given Pay Boosts

AUBURN— The justices of the peace at Kings Beach, Tahoe City and Foresthill will receive a salary boost to $175 per month under the new Placer County salary schedule approved this week by the board of supervisors. Ten constables in the county also had their salaries upped to $225 and will be removed from the sheriff's budget.

Several other county officers are slated for raises which become effective after August 1.

Gifford Plans Expansion Of Real Estate Firm

I. O. Gifford of Truckee Resort reports his Mountain Real Estate Company is preparing to extend and he is making arrangements for offices in Marysville, Elko and elsewhere.

Two recent deals, he said, involve ranches at Stockton, one selling for $125,000 and the other for $35,000, money for both being in escrow.

Supervisors Accept Maps Of Donner Lake Tracts

The Nevada County board of supervisors on Friday accepted for filing two maps of subdivisions of the Donner Lake Development Company. Both subdivisions lie on the north side of Highway 40. One is the Donner Park subdivision, with 70 lots, just to the east of the lake. The other is the Waltz Tract, with 125 lots, at the lake's eastern end.

Tarzan

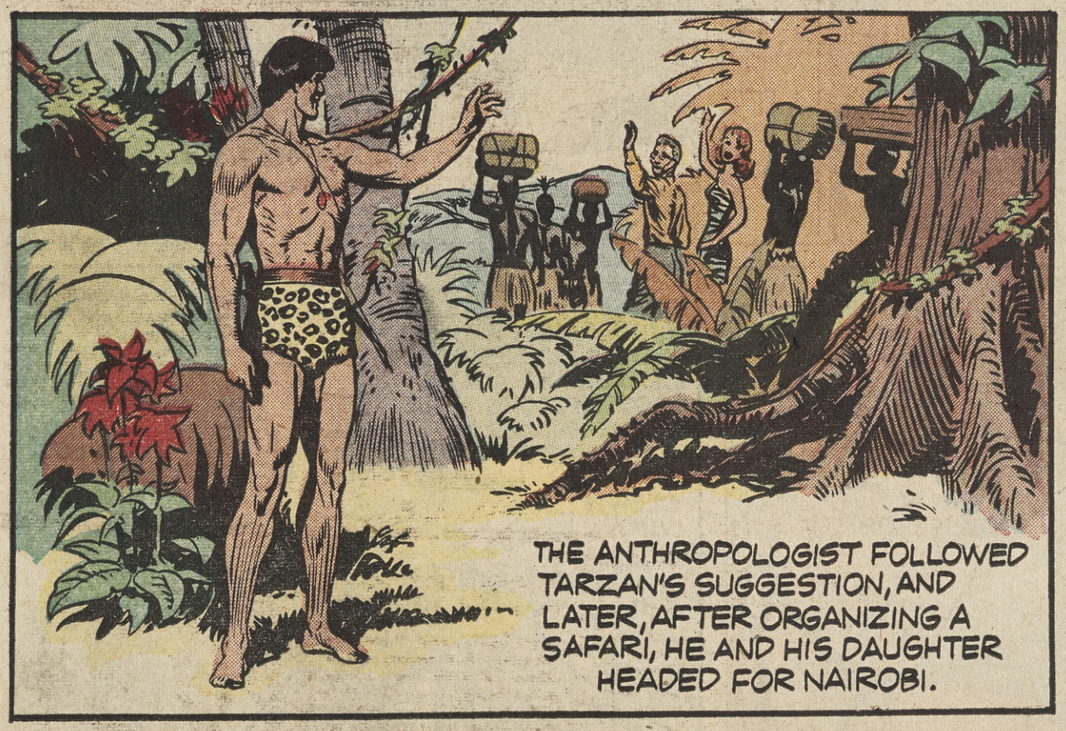

by EDGAR RICE BURROUGHS®

AFTER TARZAN DEFEATED THE MONSTER, THE SCIENTIST EXPLAINED HIS EXPERIMENT. *IT* WAS A LIVING REPRODUCTION OF THE JAVA MAN, WHO LIVED THOUSANDS OF YEARS AGO!

THE OLD MAN LOOKED SADLY AT THE CHARRED RUINS OF HIS LABORATORY. "*THIS IS THE END,*" HE MUTTERED,

"*YES,*" SAID THE APE-MAN SYMPATHETICALLY. "*BUT ONLY OF A WARPED EXISTENCE. TAKE YOUR DAUGHTER BACK TO CIVILIZATION... START LIFE ANEW.*"

THE ANTHROPOLOGIST FOLLOWED TARZAN'S SUGGESTION, AND LATER, AFTER ORGANIZING A SAFARI, HE AND HIS DAUGHTER HEADED FOR NAIROBI.

SOON AFTER THEIR DEPARTURE, AN OMINOUS ROAR SOUNDED IN THE DISTANCE, GROWING FAINTER WITH EACH UTTERANCE. CURIOUS, THE APE-MAN SPED TO INVESTIGATE.

AHEAD, SNARLING FEEBLY THROUGH THE HUMID AIR, LAY A WOUNDED LION! NUMA'S PAIN CAME FROM A BULLET HOLE IN ITS TAWNY HIDE. TARZAN SCOWLED--AGAIN, THE WORK OF WHITE MAN!
